I belong to me...

It's not that I don't wanna share my life with you baby  
It's just that I'm the one I need to be true to baby  
And I won't give up me to be part of you  
It's not that I don't wanna have you in my life baby  
It's just you gotta know that it's got to be right baby  
Before I open up my heart to you

I don't need somebody to complete me  
I complete myself  
Nobody's got to belong to somebody else  
I belong to me (I)  
Don't belong to you (my)  
Heart is my possession (i'll)  
Be my own reflection  
I belong to me (im)  
One not half of two (and)  
If you're gonna love me  
You should know this baby  
I belong to me

I gotta let you know before I let you in, baby  
That who I am is not about who I'm with, baby  
That don't mean I don't wanna be here with you  
I do

I don't need somebody to complete me  
I want you to know  
I'll give up my love but I'm not giving up my soul  
I belong to me (I)  
Don't belong to you (my)  
Heart is my possession (i'll)  
Be my own reflection  
I belong to me (im)  
One not half of two (and)  
If you're gonna love me  
You should know this baby  
I belong to me

Oh yea

Love don't mean changing who you are to be  
Who somebody wants you to be  
Nobody's got to belong to nobody

I belong to me  
I don't belong to you  
My heart is my possession  
I'll be my own reflection

I belong to me (I)  
Don't belong to you (my)  
Heart is my possession (i'll)  
Be my own reflection  
I belong to me (im)  
One not half of two (and)  
If you're gonna love me  
You should know this baby  
I belong to me
