Evert time u need a baby
i get kind of crazy in ma head for u
and i dont know what to do
and oh baby, i get kind of shaky
when they mention u
i just lose my cool
my friends tell me
something has come over me
and i think i know what it is

choros

i think i'm in love
boy i think that i'm in love with u
got me doing silly things when it comes to u
in love
boy i think that i'm in love with u
i think i'm in love
got me telling all my friends what i feel for u

just the other night, baby
i saw u hanging u were with your crew
i was with mines too
you took me by surprise yeah
when u turned and looked me in my eyes
oh u really blew my mind
i don't know whats gotten in to me
but i think i know what it is

choros twice

something strange has come over me
got me going out of my mind
never met a guy like u before
u make me feel so special inside

choros to fade
