Yeah, yeah, yeah, yeah, yeah, yeah

Every time you'r near baby
I get kinda crazy in my head for you
I don't know what to do
And oh baby
I get kinda shaky when they mention you
I just lose my cool
My friends tell me
Something has come over me
And I think I know what it is

[CHORUS]

I think I'm in love
Boy I think that I'm in love with you
You got me doin' silly things when it comes to you
In love
Boy I think that I'm in love with you
I've been telling all my friends what I feel for you

Just the other night baby
I saw you hangin
You were with your crew I was with mine too
You took me by surprise
When you turn and look me in my eyes
Boy you really blow my mind

I don't know what's gotten into me
But, I kinda think I know what it is

[CHORUS]

I think I'm in love
Boy I think that I'm in love with you
Got me doin silly things when it comes to you
In love,
Boy I think that I'm in love with you
I've been tellin all my friends what I feel for you

Boy I think that I'm in love with you
Got me tellin all my friends what I feel for you

Something strange has come over me
Got me going out of my mind
Never met a guy like you before
You make me feel special inside

[CHORUS]

I think I'm in love
Boy I think that I'm in love with you
You got me doin silly things when it comes to you
I think I'm in love
Boy I think I'm in love with you
I've been tellin all my friends what I feel for you

Boy I think that I'm in love with you
You got me doin silly things when it comes to you(goin
outta my mind boy)
Boy I think that I'm in love with you
I've been tellin all my friends what I feel for you

Boy I think that I'm in love with you
I've been doin silly things when it comes to you(I don't
know what to do)
Boy I think I'm in love with you
I've been tellin all my friends what I feel for you

(Repeat til fade)
