Come and get it!  
Dya hear that cow bell!  
Cock-a cock-a cock-a-doodle-doo  
Come and get some grub

[chorus]  
Baby it's a hoedown  
We can get low down  
Round here  
Take it to the floor now  
We can get a throw down  
Round here  
Cowgirls just cowboys make noise  
Round here  
This is honkey tonk baby  
Go on get crazy  
Round here

It's what us farm girls like to do  
Sippin' on cold lemonade  
Eatin' up all our favorite food  
Ya'll grab a partner  
And just say howdy do  
Let me show you somethin' new

[bridge]  
All these farm boys ya wanta se somethin slick  
Girls turn your hips like a joy stick  
Gotta do the round house but don't move it too quick  
Ya wanta impress a hick  
Then make it go tick tick tick tick tick

[chorus]

[bridge]

[chorus 2x]

[2nd bridge]  
Hands on your hips?  
Roll on your backside?

Tick tick tick tick tick tick  
Then push your tush  
Come on push your tush now  
Giratin movin? it clockwise  
Tick tick tick tick tick tick  
Then push your tush  
Come on push your tush now

Hootenaney ya'll!  
Yeehaw!  
Take it to the barnyard  
Fiddles

We've all gone wild!  
Us country folk!  
Hey you over there get your ass out the chair  
And tick tick tick with me

[chorus 2x]
