There are times
I swear I know you're here
I forget about my fears
Feelin you my dear
Watchin over me
My hope sees
What the future will bring
When you wrap your wings
And take me where you are
Where you and I will be together
Once again, we'll be dancin in the moonlight
Just like we used to do
And you'll be smilin back at me
Only then will I be free
When I can be, where you are
And I can see your face
Your kiss I still can taste
Not a memory erased
Oh, how I see your star
Shinin down on me
And I'd do anything
If I could just, be right there where you are
Where you and I will breathe together
Once again we'll be dancin in the moonlight
Just like we used to do
And you'll be smilin back at me (you'll be smilin back at
me)
Only then will I be free
Then I will be free, so take me where you are
Now baby there are times when selfishly
I wishin that you were here with me
So I can wipe the tears from your eyes and make you
see
That every night when you are dreamin
I'm here to guard you from afar
And anytime I feel in love
I'll close my eyes and dream of where you are
where you are
Where you and I will breathe together
Once again we'll be dancin in the moonlight
Just like we used to do

And you'll be smilin back at me (you'll be smilin back at
me)
Only then will I be free
Then I will be free,
Baby I still believe
Oh I gotta believe
I still believe
I will touch you that sweet day
That you take me there
Where you are (where you are)
I still believe
Whoooooa, I gotta believe
I still believe
I will touch you that sweet day
That you take me there
Where you are, oh where you are!
I still believe
I gotta believe
I still believe
I'll always be waiting here
That sweet day (that sweet day, yeah!)
I still believe.....I still believe
