Oh
When I see you there
I'm so aware
Of how lucky I am baby
Cuz I don't deserve
I don't come close
To understanding baby
The logic of your kind of trust
It amazes me
That someone like you
Would care enough
To just believe

Chorus:
Your faith in me
It pulls me through
When there's nothin around
To hold onto
When I fall
When I'm weak
All the strength that I need
Is your faith baby
Your faith in me, oh

Even when we fight
I get along
Cuz our love is real baby
It's like salvation to my soul
Cuz that's how it feels baby
It's a sacred thing
That I keep close
To carry on
And I know that I will be alright
And you'll heal it all

Chorus

You make me feel I can walk on water
(I can reach the farthest star)
And nothin comes against me
Safe within your arms

Chorus

Bridge: X 4

When I fall baby (oh)

When I'm weak baby

All I need baby (all I need is your faith in me)

Is your faith in me

Ooh

Your faith in me
