[Verse]

[Ne-Yo]

It seems like every day is something else
Another reason to be stressing

[Jessica]

And you just wanna run away, said you just wanna run
away

[Ne-Yo]

You try to get out and enjoy yourself
But everybody's wack, it's so depressing

[Jessica]

And you just wanna run away, yeah, said you just
wanna run away

[Bridge]

[Ne-Yo]

Though we 'bout to hop up on this rocket
Get up outta here

[Jessica]

Go somewhere where nothing ever goes wrong
'Bout to hop up on this rocket
Take to the sky
Everything is fine

[Chorus]

'Cause we ain't even on Earth tonight
We on a planet where the dudes got money and
they're not afraid to spend it
Hey-oh, Hey-oh, and everything is alright, hey-oh hey-
oh
'Cause we ain't even on Earth tonight
We on a planet where there ain't no drama and the
party's never ending
Hey-oh, Hey-oh, and everything is alright, hey-oh hey-
oh

[Post Chorus]

[Jessica]

'Cause we ain't even on Earth tonight

[Ne-Yo]

Pretty baby, babe

[Jessica]

No oh-oh-oh

Â‘Cause we ainÂ’t even on Earth tonight
Oh oh-oh

[Middle]

[Ne-Yo]
And weÂ’ll be dancing through the mornings

[Jessica]
Grab my girls from Venus, grab your boys from Mars
And weÂ’ll get away, go somewhere and just get right

[Chorus]
Â‘Cause we ainÂ’t even on Earth tonight
We on a planet where the dudes got money and
theyÂ’re not afraid to spend it
Hey-oh, Hey-oh, and everything is alright, hey-oh hey-
oh
Â‘Cause we ainÂ’t even on Earth tonight
We on a planet where there ainÂ’t no drama and the
partyÂ’s never ending
Hey-oh, Hey-oh, and everything is alright, hey-oh hey-
oh
