You got the love  
Standing like a soldier  
This kind of love  
I'm never getting over  
This kind of love  
Got everybody talking  
'Cause you give me what I need  
Can't get enough

You got the love  
You got that love  
You got that love

Boy I love the way that you do it  
(I am feeling you)  
Make me do I do what I'm doing  
(Ain't nobody like you)  
You keep me up when I'm on it  
Just say the word and I'm on it

It might be hard sometimes  
But we're riding together  
Right next to paradise  
Boy you're the best and never

And ye I mean to brag  
'Cause baby you deserve it  
And just in case you haven't heard it

You got the love  
Standing like a soldier  
This kind of love  
I'm never getting over  
This kind of love  
Got everybody talking  
'Cause you give me what I need  
Can't get enough

You got the love  
You got that love  
You got that love

You got that love
