Verse 1

Iâ€™m wrapped up in your mercy
Iâ€™m hanging on your thread
Baby, missing you just hurts me
Iâ€™m messed up in my head
And I, I want to be

Chorus

Unbroken
Unshattered
Just maybe put the pieces of my heart back together
Iâ€™m wide open
Donâ€™t know where Iâ€™m going
Iâ€™d give anything and everything just to be unbroken
Unbroken

Verse 2

I want to walk across your memory
Like water underneath the bridge
Donâ€™t want to want what you canâ€™t give me
Iâ€™m falling off the edge
And I, I want to fly

CHORUS

Bridge

Erase these dreams inside me
Sleep where they canâ€™t find me
Leave this life behind me
And I, I want to be

CHORUS

CHORUS
