There's a game you wanna play  
There's a risk you would like to take  
But words can't change what you feel inside  
There'll be no going back from here  
I'm scared it'll lead to tears  
Patience, boy, and I will decide  
If your kiss is sweet enough  
If I wanna feel your touch  
You should know I can read your mind  
If the deal is worth the pain  
If you just won't die of shame  
I am tempted to try

If you taste this fruit forbidden to eat  
You can drink this wine from a love so deep  
I dance for you  
Let you come within  
If you swear to me that it ain't no sin

There's a world you wanna know  
There's a place you wanna go  
Take your time and love will delight  
There're wonders everywhere  
Their mysteries to share  
Be gentle, boy, and it will be alright

If you taste this fruit forbidden to eat  
You can drink this wine from a love so deep

I dance for you  
Let you come within  
If you swear to me that it ain't no sin

If you taste this fruit forbidden to eat  
You can drink this wine from a love so deep  
I dance for you  
Let you come within  
If you swear to me that it ain't no sin

You wanna taste it

Oh, if you swear to me

If you taste this fruit forbidden to eat  
You can drink this wine from a love so deep  
Love so deep  
I dance for you  
Let you come within  
If you swear to me that it ain't no sin

If you taste this fruit forbidden to eat  
You can drink this wine from a love so deep  
Love so deep  
I dance for you  
Let you come within  
If you swear to me that it ain't no sin

Wanna taste it  
Love so deep  
I wanna dance for you  
I wanna taste it  
I wanna taste it  
I wanna taste it  
I wanna taste it  
I wanna taste it
