Good-bye
Jessica simpson

I can see the pain livin' in your eyes
And I know how hard ya try
You deserve to have so much more
I can feel your hurt and I sympathize
And I'll never criticize all you meant to my life

I don't wanna let ya down
I don't wanna lead you on
I don't wanna hold ya back
From where you might belong

~chorus~

You would never ask me why
My heart is so disguise
I just cant live a lie anymore
I would rather hurt myself
Than to ever make you cry
Theres nothing left to say...
But good-bye

You deserve a chance at the kind of love
And that your unworthy of
Losing you is painful for me

I don't wanna let ya down

I don't wanna lead you on
I don't wanna hold ya back
From where you might belong

~chorus~

You would never ask me why
My heart is so disguise
I just cant live a lie anymore
I would rather hurt myself
Than to ever make you cry
Theres nothing left to say...
But good-bye

You would never ask me why
My heart is so disguise
I just cant live a lie anymore
I would rather hurt myself
Than to ever make you cry
Theres nothing left to try
Though it's gonna hurt us both
Theres no other way...
Than to say good-bye

Good-bye
