O this is Christmas  
And what have you done  
Another year over  
A new one just begun  
And so this is Christmas  
I hope you have fun  
The near and the dear ones  
The old and the young

A very merry Christmas  
And a happy New Year  
Let's hope it's a good one  
Without any fear

And so this is Christmas (War is Over, if you want it, war  
is over now) repeat with verse  
For weak and for strong  
The rich and the poor ones  
The road is so long  
So happy Christmas  
For black and for white  
For yellow and red ones  
Let's stop all the fight

A very merry Christmas

And a happy New Year  
Let's hope it's a good one  
Without any fear

And so this is Christmas (War is over, if you want it, war  
is over now) repeat with verse  
And what have we done  
Another year over  
And a new one just begun  
And so this is Christmas  
And we hope you have fun  
The near and the dear ones  
The old and the young

A very merry Christmas  
And a happy New Year

Let's hope it's a good one  
Without any fear  
War is over, if you want it  
War is over now

Merry Christmas
