Yeah, yeah yeah yeah  
Yeah yeah..  
Yeah yeah Ohhhhh

Everytime you're near baby  
I get kinda crazy in my head for you  
I don't know what to do

And oh baby  
I get kinda shaky when they mention you  
I just lose my cool

My friends tell me  
Somethin has come over me  
And I think I know what it is

I think I'm in love  
Boy I think that I'm in love with you  
I've been doin silly things when it comes to you  
In love, boy I think that I'm in love with you  
I've been tellin all my friends what I feel for you

Just the other night baby, I saw you hangin  
You were with your crew  
I was with mine too  
You took me by surprise  
When you turn and look me in my eyes  
Boy you really blow my mind

I don't know what's gotten into me  
But, God, I think I know what it is

In love, boy I think that I'm in love with you  
I've been tellin all my friends what I feel for you  
I think I'm in love  
Boy I think that I'm in love with you  
I've been doin silly things when it comes with you

Somethin strange has come over me  
Got me goin out of my mind  
Never met a guy like you before  
You make me feel special inside

I think I'm in love  
I think I'm in love

Boy I think that I'm in love with you  
I've been doin silly things when it comes to you  
I think I'm in love

Boy I think I'm in love with you  
I've been tellin all my friends what I feel for you

Boy I think that I'm in love with you  
I've been doin silly things when it comes to you (goin  
outta my mind)  
I think I'm in love  
Boy I think I'm in love with you  
I've been tellin all my friends what I feel for you

Boy I think that I'm in love with you  
I've been doin silly things when it comes to you  
I think I'm in love  
Boy I think I'm in love with you  
I've been tellin all my friends what I feel for you

(repeat til fade)
