I Wanna Love U Forever  
Jessica Simpson  
(Sweet Kisses)

You set my soul at ease  
Chased darkness out of view  
Left your desperate spell on me  
Say you feel it to  
I know you do  
I've got so much more to give  
This can't die, I yearn to live  
Pour yourself all over me  
And I'll cherish every drop here on my knees

[CHORUS]

I wanna love you forever  
And this is all I'm asking of you  
10,000 lifetimes together  
Is that so much for you to do?  
Cuz from the moment that I saw your face  
And felt the fire in your sweet embrace  
I swear I knew.  
I'm gonna love you forever

My mind fails to understand  
What my heart tells me to do  
And I'd give up all I have just to be with you  
and that would do  
I've always been taught to win  
And I never thought I'd fall  
Be at the mercy of a man  
I've never been  
Now I only want to be right where you are.

[CHORUS]

In my life I've learned that heaven never waits no  
Lets take this now before it's gone like yesterday  
Cuz when I'm with you there's nowhere else  
That I would ever wanna be no  
I'm breathing for the next second I can feel you

Loving me ... I'm gonna love [CHORUS]
