(Spoken)

You know... I don't know what it is...

But everything about you... is so irresistible

\*\*\*\*\*

Dont you try to tell me that he's not my type

To idle what i fell inside

when it makes me weak with desire

I know that i'm supposed to make him wait

Let him think i like the chase (oh)

But i can't stop fanning the fire

I know I meant to say no

But he's irresistible

Up close and personal

Now inescapable

I can hardly breathe

More than just physical

Deeper than Spiritual

His ways are powerful

Irresistible to me

Oh oh I can hardly breathe

yeah yeah yeah yeah yeah

Don't you think I try to tell my heart what's right?

That i should really say goodnight

But i just can't stop myself falling (falling)

Maybe i tell him that i feel the same

But i don't wanna play no game (no)

Cuz when i feel his arms wrapped around me

I know I meant to say no... (I meant to say no)

But He's irresistible (irresistible)

Up close and personal

Now inescapable

I can hardly breathe (I can hardly breathe)

More than just physical  
Deeper than Spiritual (Oh oh yeah)  
His ways are powerful  
Irresistible to me

Don't you see  
Whenever he's close to me  
I really find it hard to breathe  
He's so irresistible  
Baby you know  
It's more than just spiritual  
His kisses are so powerful  
He's so irresistible (He's so irresistible)

He's irresistible (yeah yeah)  
Up close and personal (oh yeah)  
Now inescapable  
I can hardly breathe (I can hardly breathe)  
More than just physical (oh
