I've Got My Eyes On U  
Jessica Simpson  
(Sweet Kisses)

Oh yeah c'mon now Oh yeah x4  
Boy I've been watchin you  
And you've been watchin me  
I know you want me baby  
I'm gonna make you see  
I'll give you what you need  
I know the way ya feel  
I'll take ya higher baby  
I want you here with me  
Everything ya say, everything ya do  
Makes me go crazy baby I want you  
You have turned me on and that's the way it is  
Nothing could be better than this

[CHORUS]

I've got my eyes on you  
I'm gonna move ya  
I'm gonna groove ya  
Tonight is the night  
I've got my eyes on you  
I know you want me  
Nothing can stop me  
The feeling is right

So now I'm here for you  
And you are here for me  
I'm gonna show you boy  
That we were meant to be  
I've never been so sure  
And now I want you more  
Why don't you give it up I'm gonna set you free now  
Everything ya say, everything ya do  
Makes me go crazy baby I want you  
You have turned me on and that's the way it is  
Nothing could be better than this

[CHORUS x2]

You've got the lovin I want  
I've got the lovin you need  
We've got the feeling tonight  
You know the feeling is right  
Don't you know I go crazy for you baby  
I go crazy baby  
Can't you see we were meant to be  
Everything ya say, everything ya do Makes me go crazy  
baby I want you [CHORUS]
