I keep on
I keep on lovin'

Oh, oh
Oh, oh
Mmm
(I'm gonna keep on lovin' you)
Mmm
(I'm gonna keep on)
I'm gonna keep on lovin' you
(Loving you)
Mmm
(I'm gonna keep on)

Don't tell me it's time to go
I think my watch is too slow
Please, I don't wanna know
(I don't wanna know)
Baby, what will it hurt?

(Huu)
If I stay on tonight
And bring yourself into me
Boy, I think you should know
(I think you should know)
I'm not lettin' you go

(All night)
I don't wanna have to say goodnight
(Hold tight)
I just wanna stay and hold you tight
(So right)
Feels so right no matter what we do
I'm just gonna keep on lovin' you
(Be more)

Yeah you're like heaven to hold
And you're the flame when I'm cold
(Boy, I think you should know)
Boy, I think you should know
I'm not lettin' you go

(All night)
I don't wanna have to say goodnight
(Hold tight)
I just wanna stay and hold you tight
(So right)
Feels so right no matter what we do?
I'm just gonna keep on lovin' you
(Be more)

(All night)
Love me like the rainbow loves the light
(Hold tight)
Feels me like the raindrops kiss the sky
(So right)
Feels so right no matter what we do
I'm just gonna keep on lovin' you

I think, I should stay awhile
And keep enjoyin' you
Come close, wrap me in your arms
Say you want me too
Intoxicated by the way you're makin' me move
I know, I'm gonna keep on lovin' you
(All night)

Oh
(la, la, la, la, la, la)
(So right)
(la, la, la, la, la, la)
Haa ha
I'm gonna keep on lovin' you
