Mr Operator call it number 9  
Mr Operator coz I think bout you all the time  
Mr Operator dont make me feel like I got any dimes  
Mr Operator you are the one for me

hey what am I ever to do bout what I think bout you?  
ya all I ever really wanted and all I ever really had  
anyway  
all I see, all I am, and mr.operator is to be for it!

Mr Operator call it number 9  
Mr Operator coz I think bout you all the time  
Mr Operator dont make me feel like I got any dimes  
Mr Operator you are the one for me

dont make no sense to me, what ya feel bout reality  
alright?  
and these things go up and down and whatever you  
think I know it'll

come round (and come into hit this ground)

Mr Operator call it number 9  
Mr Operator coz I think bout you all the time  
Mr Operator dont make me feel like I got any dimes  
Mr Operator you are the one for me

mr. mr. mr. operator. mr. mr. mr. operator...

Mr Operator call it number 9  
Mr Operator coz I think bout you all the time  
Mr Operator dont make me feel like I got any dimes  
Mr Operator you are the one for me  
(repeat then fade out)
