Help me wont you? I've lost my dignity and self control
just thinking bout you makes me mad, yeah you got me
under your spell, I dwell and nobody gonna replace
what ya doin

I, I, need some space to (breathe)
I, I, need some peace of (mind)
and this is all the time

Please help me
I'm thinking about you all the time
Please help me
I cant get ya outta my mind
Please save me
From the worship I throw over you
Please, Please help me.

Sweet like justice, no sins allowed. and yet I'm still
thinking about you I told you I've gone crazy but I cant
help myself I have this habit of thinking bout you 24/7. I
am under your spell, and now my bodys losing control
