I have always believed
God won't give me more than I can handle
But sometimes when it's so hard
And I'm falling apart
I wonder if I can take this

Hurt I'm going through
But I know no matter what I do

They won't all be sunny days
Life's gonna bring out some rain
But I can restore it
I'll be that much stronger for the pain
So even when I'm sad
I know everyday I have is still beautiful

Still beautiful

There have been times in my life
When all of my skies were blue and were so wide open
But lately all of my dreams seem so out of reach
And everything feels so broken

But it can't last too long
So I'll just keep on holding on

They won't all be sunny days
Life's gonna bring out some rain
But I can restore it
I'll be that much stronger for the pain
So even when I'm sad
I know everyday I have is still beautiful

We're all gonna cry sometimes
We're all gonna hurt sometimes
But it takes the good and the bad
The happy sad to make you feel alive

They won't all be sunny days
Life's gonna bring out some rain
But I can restore it
I'll be that much stronger for the pain

They won't all be sunny days
Life's gonna bring out some rain
But I can restore it
I'll be that much stronger for the pain

I know I'll be alright
Long as your here by my side
So even when I'm sad
I know everyday I have is still beautiful
