In the charade of life  
Few things ever come true  
When best laid plans  
Fall from under you

When hope is a million miles away from here  
You say there is nothing in the world left to fear  
When I can't see beyond my faith  
You always see me through

You're a sure thing  
I could never leave behind  
I could gamble 'till I die  
And never find a more  
Perfect love  
A love like yours  
You're a sure thing  
With you there is no risk  
I can always count on this  
Lord I trust in you

When the odds are against  
Every step I take  
When I'm afraid of the cards  
Life deals my way  
When I can't see beyond my faith  
You always see me through

You're a sure thing  
I could never leave behind  
I could gamble 'till I die  
And never find a more  
Perfect love  
A love like yours  
You're a sure thing  
With you there is no risk  
I can always count on this  
Lord I trust in you

Coz you're a sure thing  
I could never leave behind

I could gamble 'till I die  
And never find a more  
Perfect love  
A love like yours  
You're a sure thing  
With you there is no risk  
I can always count on this  
Lord I trust in you

There's no question  
In my mind  
When this heart is on the line  
I can always count on you

When I can't see beyond my faith  
You always see me through woah...

You're a sure thing  
I could never leave behind  
I could gamble 'till I die  
And never find a more  
Perfect love  
A love like yours  
You're a sure thing  
With you there is no risk  
I can always count on this  
So Lord I trust in you

You're a sure thing  
I could never leave behind  
I could gamble 'till I die  
And never find a more  
Perfect love  
A love like yours  
You're a sure thing  
With you there is no risk  
I can always count on this  
Lord I trust in you (trust in you)

You're a sure thing  
I could never leave behind  
I could gamble 'till I die (woah, woah)  
You're a sure thing  
With you there is no risk  
I can always count on this  
Ohh yeah...

You're a sure thing  
I could never leave behind  
I could gamble 'till I die  
And never find a more

Perfect love  
A love like yours  
You're a sure thing  
With you there is no risk  
I can always count on this  
So Lord I trust in you oh yeah

You're a sure thing  
I could never leave behind (ahh)  
I could gamble 'till I die  
You're a perfect love  
You're a sure thing  
With you there is no risk  
I can always count on this  
Oh Lord I trust in you

You're a sure thing!
