Can you imagine us?
Making love
The way it would feel the first time that we touched
Can you think of it?
The way I dream of it
I want you to see it like Im seeing it

Its affliction of perfection
The vision of your direction

Your lips upon my lips
Can you just picture it?
Your finger tips on my fingertips
Your skin upon my skin
Would be the sweetest sin
That would be the sweetest sin

All night I lie awake
Cause its to much to take
Dreaming about the love that we could make
All day I think of schemes
To get you next to me
I want you so bad that I can barely breathe

Its a sign of my obsession
That I cant stop thinking bout

Your lips upon my lips
Can you envision it?
Temptation I could never resist
You skin upon my skin
Would be the sweetest sin
That would be the sweetest sin

It would feel so good
To be so bad
You dont know how bad
I want that
I would
Do anything to feel your

Your lips upon my lips
Can you just picture it?
Your finger tips on my fingertips
Your skin upon my skin
Would be the sweetest sin (Would be the sweetest sin)
Yeah, You are the sweetest sin

Your lips upon my lips
Can you envision it?
Temptation I could never resist
Your skin upon my skin (oh ooh)
Would be the sweetest sin (Baby)
That would be the sweetest sin

Your lips upon my lips
Would be the sweetest sin
