The real me is a southern girl,
With her Levi's on and an open heart.
Wish I could save the world,
Like I was Supergirl.
The real me used to laugh all night
Lying in the grass, just talkin 'bout love.
But lately I've been jaded,
Life got so complicated.

I start thinkin about it,
I almost forgot what it was like,
To know when it feels right...

But with you,
I can let my hair down,
I can say anything crazy,
I know you'll catch me
Right before I hit the ground.
With nothing but a t-shirt on,
I never felt so beautiful,
Baby as I do now,
Now that I'm with you
With you, with you, with you
Now that I'm with you.

You speak and it's like a song
Just like that all my walls come down.
It's like a private joke,
Just meant for us to know.
I relate to you naturally,
Everybody else just fades away.
Sometimes it's hard to breathe,
Just knowing you found me.

Cuz I start thinkin about it,
I almost forgot what it was like,
To know when it feels right....

Cuz with you,
I can let my hair down.
I can say anything crazy,

I know you'll catch me
Right before I hit the ground.
With nothin but a t-shirt on,
I never felt so beautiful,
Baby as I do now,
Now that I'm with you,
With you, with you, with you.

Come and take me
Love you, save me
Like nobody else
Now I can be myself with you.

I can let my hair down.
I can say anything crazy
I know you'll catch me
Right before I hit the ground.
With nothin but a t-shirt on,
I never felt so beautiful,
Baby as I do now
Now that I'm with you.
