The face that I see is the woman in me  
Is the woman that I wanna be  
The face that I see is the woman in me  
Is the woman in me I see

As I'm lookin' here, lookin' in the mirror I see  
Life is really here to be with me, oh  
I can see myself getting stronger everyday  
I'm not the same woman I used to be

So now I tell myself that I am big and strong  
I see the beauty lyin' within my soul

The face that I see is the woman in me  
Is the woman that I wanna be  
The face that I see is the woman in me  
Is the woman in me I see

When I allow myself I can do whatever I want  
Doesn't matter what you do to me  
Oh no, honesty for me, guess the possibilities  
Tell you my way of reality, yeah

The face that I see is the woman in me  
Is the woman that I wanna be  
The face that I see is the woman in me  
Is the woman in me I see

Can you see the woman in me?  
Do you really wanna see the woman in me?  
Let me show you

Don't underestimate the woman I've become  
The woman that I am  
So now I tell myself that I am big and I'm strong  
And I see the beauty lyin' within my soul

The face that I see is the woman in me  
Is the woman that I wanna be  
The face that I see is the woman in me  
Is the woman in me I see

The face that I see is the woman in me  
Is the woman that I wanna be  
The face that I see is the woman in me  
Is the woman in me I see

The face that I see is the woman in me  
Is the woman that I wanna be  
The face that I see is the woman in me  
Is the woman in me I see
