You don't know what you do to me
Every time you come around
I can't seem to find my way
I'm shifted, baby, losing ground

It's like I'm spinning all around in circles
Cure me, you're my remedy
And I get dizzy from the sound of your name
I'm just so intoxicated when you spin me, baby

You spin me right round, baby
Right round like a record, baby
Right round, round, round

You spin me right round, baby
Right round like a record, baby
Right round, round, round
Round and round

I can't help this cravin', honey
Every time you look at me
I am feelin' so lost in oblivion
That I can't breathe

It's like I'm movin' right along with the beat
Want me, you're my melody
I get dizzy from the sound of your name
I'm just so intoxicated when you spin me, baby

You spin me right round, baby
Right round like a record, baby
Right round, round, round

You spin me right round, baby
Right round like a record, baby
Right round, round, round
Round and round

Spin, spin me, baby
Spin, spin, spin me, baby
Round and round
Spin, spin

I get dizzy from the sound of your name
I feel so intoxicated when you spin me, baby

You spin me right round, baby
Right round like a record, baby
Right round, round, round

You spin me right round, baby
Right round like a record, baby
Right round, round, round

You spin me right round, baby
Right round like a record, baby
Right round, round, round

You spin me right round, baby
Right round like a record, baby
Right round, round, round

Like a record, baby
