Don't you love waking up?
Don't have to rush 'cause you ain't got much to do
Lay in bed with the TV on all day long
If you wanted to

You spend so much time
Worried 'bout what's coming up next
You can't even find a little room, a little space
Even catch a breath

When life is like a hurricane
Flying off the rails like a fast train
Everything around me is so insane
You come and take it all away
You're my Sunday

You show up right on time
Just when I need to take it slow
It's a mystery how easily you found the key
That always brings me home

You have a way of taking
The noise and drowning it out
I don't know what I would do
If I woke up and you were not around

When life is like a hurricane
Flying off the rails like a fast train
Everything around me is so insane
You come and take it all away
You're my Sunday

And life is like a hurricane
Flying off the rails like a fast train
Everything around me is so insane
You come and take it all away, all away

When life is like a hurricane
Flying off the rails like a fast train
Everything around me is so insane
You come and take it all away
You're my Sunday, you're my Sunday

You're my Sunday

Don't you love waking up?

Don't have to rush 'cause you ain't got much to do

Lay in bed with the TV on all day long

If you wanted to
