Yeah, oh yeah  
I can show you the world  
Shining, shimmering, splendid  
Tell me princess now

When did you last let your heart decide  
I can open your eyes  
Take you wonder by wonder  
Over sideways and under on a magic carpet ride

A whole new world  
A new fantastic point of view  
No one to tell us no or where to go  
Or say we're only dreaming

A whole new world  
A dazzling place I never knew  
But now from way up here it's crystal clear  
That now I'm in a whole new world with you

Unbelievable sights  
(Unbelievable sights)  
Indescribable feeling  
Soaring, tumbling, free-wheeling  
Through an endless diamond sky  
A whole new world

Don't you dare close your eyes  
A hundred thousand things to see  
Hold your breath, it gets better

I'm like a shooting star  
I've come so far

I can't go back to where I used to be  
(A whole new world)  
A whole new world

With new horizons to pursue  
I'll chase them anywhere, there's time to spare  
Let me share this whole new world with you

Oh, a whole new world  
(A whole new world)  
A new fantastic point of view

No one to tell us no or where to go  
Or say we're only dreaming  
(A whole new world)  
Every turn a surprise

With new horizons to pursue  
(Every moment gets better)

I'll chase them anywhere  
There's time to spare  
Anywhere  
Oh, there's time to spare  
Let me share  
This whole new world with you

With you, a whole new world  
A whole new world  
That's where we'll be  
Where we will be

A thrilling chase  
A wondrous place  
For you and me
