Once again, invincible, a snowy night  
Its numbing soul, but bout the time  
The morning comes, the legend burns  
Crashing to the floor, oh, oh, oh, oh  
Crashing to the floor, oh, oh, oh, oh

[Chorus]

And then you do it again, again, again  
And then you do it again, again, again  
And then you do it again,  
Cause you think its a boat to salvation  
And then you do it again,  
Tell me now what youre running from?  
And then you do it again,  
Cause you needed to feel the sensation  
And then you do it again,  
Look then at what youve done before  
And then you do it again,

Youre beautiful, under the glow  
Of neone lights  
Soon nobody knows, the beauty fails  
Under the sun, the glitter comes  
Crashing to the floor, oh, oh, oh, oh  
Crashing to the floor, oh, oh, oh, oh

[Chorus]

And then you do it again, again, again

And then you do it again,  
Cause you needed to feel the sensation  
And then you do it again,  
Look then at what youve done before  
And then you do it again,

Block out the sun, hide from everyone

Lay down your head, find me again and again  
Are we waiting, faithful, patient  
All eyes to savior, never, never the same

[Chorus] x 2

And then you do it again,  
Cause you think its a boat to salvation  
And then you do it again,  
Tell me now what youre running from?  
And then you do it again,  
Cause you needed to feel the sensation  
And then you do it again,  
Look then at what youve done before  
And then you do it again
