Mirror, mirror on the wall
Who's the most punk at the ball?
Got a hundred mirrors down the hall
And tonight, we smash them all

Have you done your mirror check, boys?
Told yourself you are the only one
Satisfaction, hit and run
Have you done your mirror check, boys?
My darlings, have you put your makeup on?
Do you feel alright tonight?

Mirror, mirror on the floor
Ten years older, still a whore
Get your poison, [Incomprehensible]
Mirror, mirror, tell me more

Have you done your mirror check, boys?
Told yourself you are the only one
Satisfaction, hit and run
Have you done your mirror check, boys?
My darlings, have you put your makeup on?
Do you feel alright tonight?

Have you done your mirror check, boys?
Told yourself you are the only one
Satisfaction, hit and run
Have you done your mirror check, boys?
My darlings, have you put your makeup on
Do you feel alright tonight?
