I'm in your city and you're nowhere near me  
I'm surrounded by the words you told me  
Things you love, thing you love

I'm in the middle of your favorite grocery  
I'm walking down the same street you showed me  
Things you love, thing you love

What is it all without you  
(oh oh oh oh oh)  
What is it all without you  
(oh oh oh oh oh)  
Oh, hurry hurry home my baby  
Hurry hurry home my love  
Hurry hurry home my baby  
Hey, hey hey

I'm sipping' on your hidden stash of whiskey  
A little drunker than you know I should be  
Things you love, things you love

Imagination is running crazy  
Of the things we would or could be  
Things you love, things you love

What is it all without you  
(oh oh oh oh oh)  
What is it all without you  
(oh oh oh oh oh)  
Oh, hurry hurry home my baby  
Hurry hurry home my love  
Hurry hurry home my baby  
Hey, hey hey

(bridge)

What is it all without you  
(oh oh oh oh oh)  
What is it all without you  
(oh oh oh oh oh)  
Oh, hurry hurry home my baby  
Hurry hurry home my love

Hurry hurry home to my baby  
Hey, hey hey  
Hurry hurry home my baby  
Hurry hurry home my love  
Hurry hurry home my baby  
Hey, hey hey  
Hey, hey hey  
Hey, hey hey  
Hey, hey hey
