Don't know how it started
And I don't know how it will end
But I know if something's happened
Let's try not to pretend

You feel my heart shake
I'm alone again

Don't know where these tears come from
And I don't know if they're yours or mine
Since you can barely feel a thing
I'll cry for the both of us this time

Don't know what you're thinking
And I'm caught up in your way
And you know I'm always listening
I'm trying to make some sense

You make my head spin
So I'm falling in

I don't know where these tears come from
And I don't know if they're yours or mine
Since you can barely feel a thing
I'll cry for the both of us this time

And I can't help but stay
Try to figure out this kind of love
And maybe you will change
Maybe, ooh, when I cried enough

I don't know where these tears come from
And I don't know if they're yours or mine
Since you can barely feel a thing
I'll cry for the both of us this time

And I don't what you're running from
And I don't know if it's you or me
Since you refused to feel a thing
I'll cry for the both of us this time
Yeah, I'll cry for the both of us this time

This time
This time
This time
This time
