I know why it's over
I know whose to blame
I know that I'll never be the same
I know how much you loved me
And how I loved you
But where are all the answers
I wish I knew
Cause every time I think I'm moving on
I wonder what we were
I wonder where you are
I wonder why I said that I could live without you
I don't know when it was
I don't know who she is
I don't know why I can't let go
But it's no wonder
You can't say I'm not trying
To get over you
You never saw me crying
Now it's all I do
There's a lot of memories
I want to forget
Maybe one day I will
But I haven't yet
