Did it feel any good
Did it hit you
Like it should
Was I on your mind
Was I on your mind

Were the lights
In your eyes
Did reflections
Leave you blind
Was I on your mind
Was I on your mind

Ooohh
Did you think
It was free
Oooh
Did you just
Wanna see

Well
I don't want
To be right
I want a good lie
I want a new truth
I want your fight
Tell me
I'm wrong instead
Tell me
I'm wrong instead
Give me what I need
Just take my heart
Break my love
And before you start
Tell me
I'm wrong instead
Tell me
I'm wrong instead

Did you have
To burn it down
Did our ashes

Make a sound
Was I on your mind
Was I on your mind

Does it make you
Feel alive
To have something
To survive
Was I on your mind
Was I on your mind

Ooh
Did you think
It was free
Ooh
Did you just
Wanna see

Well
I don't want
To be right
I want a good lie
I want a new truth
I want your fight
Tell me
I'm wrong instead
Tell me
I'm wrong instead
Give me what I need
Just take my heart
Break my love
And before you start
Tell me
I'm wrong instead
Tell me
I'm wrong instead

Now every breath feels
Like a new charade
I'm as lost as you
Just stumbling
Through our sad parade

And I don't wanna
Be right
I wanna good lie
I want a new truth
I want your fight
Tell me
I'm wrong instead
Tell me

I'm wrong instead
Give me what I need
Just take my heart
Break my love
And before you start
Tell me
I'm wrong instead
Tell me
I'm wrong instead

Did it feel any good?
Did it hit you
Like it should?
Was I on your mind
Was I on your mind
