(Alright Here We Go) Oh my oh my
I think I've failed you
I think you've found somebody new
Oh my oh my
We worked so hard together
And this is what you go and do

Let's talk about love
Let's talk about friendship
Let's talk about you and me
Come on talk about how, together a kinship
Can't you see what you're doing to me?

Ooh ohh, it's kinda getting crazy now
Ooh ooh, take it to the top now
Ooh ooh, whatever you say will be
We'll see

Oh my oh my
So many questions I haven't asked you for a while
Oh my oh my
I think you've earned this, it's my turn to keep you up all
night

Let's talk about love
Let's talk about friendship
Let's talk about you and me
Come on talk about how together a kinship
Can't you see what you're doing to me

Ooh ooh, it's kind of getting crazy now
Ooh ooh take it to the top now
Ooh ooh what ever you say will be
We'll see
Ooh ooh The million dollar question
Ooh ooh will we last forever?
Ooh ooh what ever you say will be we'll see

Hey what you're doing to me
You've got me up all night
And I'm ready to fight

Oh my oh my
Let's talk about love
Let's talk about friendship
Let's talk about you and me
Come on talk about how together a kinship
Can't you see what you're doing to me (yeah)

Ooh ooh it's kind of getting crazy now
Ooh ooh take it to the top now
Ooh ooh whatever you say will be
We'll see
Ooh ooh The million dollar question
Ooh ooh will we last forever?
Ooh ooh whatever you say will be we'll see

Ooh, Na na na na yeah
Ooh, Take it to the top now
Ooh, ye ye ye yeah yeah
Ooh, Take it to the top
