I'm not wearing that Christmas sweater
I won't get drunk to feel better
Stuck in the kitchen baking for days
Ooohhhh no
I'm not gonna feel obligated to do anything
That I hate with a smile on my face, I'm not like that

You got the right house, if all of the lights are burned
out
Kick off your shoes, leave all your worries you can
sleep on my couch
I won't mind
Christmas at my house is all about love
Christmas at my house you can't get enough
Christmas with my friends is all about cheer
Stop trying to make it perfect, cause perfect ain't worth
it
This Christmas make it all about love, all about love

I'm not gonna be fighting in laws,
I'm not going to be sweating bullets
Shopping for presents that nobody likes
Oh no,
I can't wait to get mistletoe kisses,
Don't care about those dishes,
I wanna make snow angels under the stars tonight

You got the right house, if you the lights are all burned
out
Kick off your shoes, leave all your worries you can
sleep on my couch
I won't mind
Christmas at my house is all about love
Christmas at my house you can't get enough
Christmas with my friends is all about cheer
Stop trying to make it perfect, cause perfect ain't worth
it
This Christmas make it all about love

Christmas at my house is all about love
Christmas at my house you can't get enough
Christmas with my friends is all about cheer

Stop trying to make it perfect, cause perfect ain't worth
it
This Christmas make it all about love

It's all about, it's all about love
It's all about love
