I never ever thought you'd would see me in a crowd
I didn't think you're here with everything so loud
Here I am take believe me,
Do what I can, now you see me
24/7 I can talk to talk so get your back off of the wall.

Walk into the fastlane
Got me movin me in the right way
Got my mind and body to say
No need, no need to slow down, slow down,
Slow down, slow down.

Intoxication mah head spinnin' round and round and
round
White lights, big city, I'm hearing naked sounds
Can't believe am I dreaming
Pinch me please I must be sleeping

24/7 I can hardly walk
So get your back off of the wall.

Walk into the fastlane
Got me movin me in the right way
Got my mind and body to say
No need no need to slow down, slow down,
Slow down, slow down

Not that I want to be
Spinnin' round and round
Not what I wanna be
My head is in the clouds
Not where I want to be spinnin' round and round
Stop slow down now, stop slow.

Walk into the fastlane
Got me movin me in the right way
Got my mind and body to say
No need no need to slow down, slow down,
Slow down, slow down

Slow down, slow down, slow down, slow down
