Boy, I will be your sexy silk
Wrap me around round round round
I'll be your pussycat licking your milk
Right now down down down

Oh a kiss can last all night
You'll have to seduce me nibble and bite

But oh no no no
Woah woah
Go slow baby don't
Ohhhahahahahah

Woah woah woah woah woah
Boy your gonna win
Say yeah yeah yeah yeah
You're under my skin
I've got butterflies within
Ohhhhhhh
I think I like you

Will you be my medicine man
Put your hand on my chest feel the bump bump bump
bump
Will you be my sugar rush make me get high with just
one touch

A kiss can last all night
You'll have to seduce me nibble and bite
But oh no no no

Woah woah
Go slow baby don't
Ohhhahahahahah

Woah woah woah woah woah
Boy your gonna win
Say yeah yeah yeah yeah
You're under my skin
I've got butterflies within
Ohhhhhhh

I think I love you

Now lets play a little game
(Woahhh!)
Close your eyes and count to five
(One, two, three!)
Open your mouth for me sugar
(Yeah, come on!)
Just a little more
Yeah yeah that's right
Woahhhhh!
Yeah I can feel it baby, can you
Ohhhhhh
Ohhhhhhhh

Woah woah woah woah woah
Boy your gonna win
Say yeah yeah yeah yeah
You're under my skin
I've got butterflies within
Ohhhhhh
I think I love you
