Oh oh la di da di da da da da  
Oh oh oh la di da di da da da da

I'm gonna be your private dancer tonight  
Sit back and let your baby take you to a new height  
Forget the typical and come alive  
Come'on baby we only got all night

So shut out the world  
And shut off the light  
And turn the music up  
I wanna dance to ZZ Top  
Until my top comes off  
Shut out the world  
And shut off the light  
And keep the music on  
I love you so much  
And it's been too long

I wanna meet you in the dark  
I wanna tease your beating heart  
You say I'm everything you need  
But tonight I wanna be  
Your fantasy

Let me introduce you to  
The girl of your dreams  
She wearin' something that  
Your hazel eyes have never seen  
I get as all tangled up in the sheets  
I'm feelin' restless and you know what that means

So shut out the world  
And shut off the light  
And turn the music up  
I wanna dance to ZZ Top  
Until my top comes off  
Shut out the world  
And shut off the light  
And keep the music on  
I love you so much  
And it's been too long

I wanna meet you in the dark  
I wanna tease your beating heart  
You say I'm everything you need  
But tonight I wanna be  
Your fantasy  
Your fantasy

I'm not make-believe  
No I'm living  
Breathing  
Loving  
Laughing  
Private dancing fantasy

I wanna meet you in the dark  
I wanna tease your beating heart  
You say I'm everything you need  
But tonight I wanna be  
Your fantasy  
In the dark  
I wanna tease, I wanna tease your beating heart  
I wanna be  
I wanna be  
I wanna be you fantasy

Oh oh la di da di da da da da  
Oh oh oh la di da di da da da da  
I wanna be  
I wanna be  
I wanna be  
I wanna be  
I wanna be  
I wanna be
