We believe always
But feelings never change
Fall against my pain
But I'm feeling the same
So don't you move away
When I need you to stay
Don't you know I'll keep
The things you give away

It's so hard to find a reason maybe
You're still waiting
On nothing I wonder
Why I'm still chasing
What's pushing me under

And I keep drifting
But inside I'll say
And I keep wishing
Soon I'll fly away
And I keep dreaming
Of things you used to say
And I keep drifting
And soon I'll fly away

So open up my eyes
To what your heart can't see
Cause don't you know your love
Gets the better of me
And everything you tried
Is sliding under me
When everything you hide
Are things I'll never see

It's so hard to find a reason maybe
You're still waiting
On nothing I wonder
Why I'm still chasing
What's pushing me under

And I keep drifting
But inside I'll say
And I keep wishing

Soon I'll fly away
And I keep dreaming
Of things you used to say
And I keep drifting
And soon I'll fly away

It's so hard to find a reason maybe
You're still waiting
On nothing I wonder
Why I'm still chasing

And I keep drifting
But inside I'll say
And I keep wishing
Soon I'll fly away
And I keep dreaming
Of things you used to say
And I keep drifting
And soon I'll fly away
