Every time you start to break
Sounds are creeping in at me
Nothing more than what you hear
Anything that you will fear
It's a bitter broken heart
I can't seem to pull apart
And no one to show the same
I'll be coming back again
Every time you start to break
Tell me how long I have to wait

You know it's hard to breathe maybe

Every time I walk away
You know it don't mean I don't want to stay
It's only voices dragging me away
I'm on a road to nowhere when you say
Don't go

There's a change come your way
Still not enough to escape
So you take it on your side
And anything you leave behind
Is every time you start to break
Tell me how long I'll have to wait

You know it's hard to breathe maybe

Every time I walk away
You know it don't mean I don't want to stay
It's only voices dragging me away
I'm on a road to nowhere when you say
Don't go

You know it's hard to breathe maybe

Every time I walk away
You know it don't mean I don't want to stay
It's only voices dragging me away
I'm on a road to nowhere when you say
Don't go
