[VERSE 1]

I see it in your eyes,
It's not the way I feel inside.
And I wonder why,
I have to feel this way now.
I don't know what's real,
Wont you tell me how u feel.
You can live your life,
Everybody want to say goodbye

[CHORUS]

And I wonder why ,why I'm fallin'
And I wonder why I'm off the ground
Don't you ask me why?
I'm letting go of my head
Coz I'm fallin'

[VERSE 2]

If you could only see,
All the tears that are fallin'.
And the answers that I need,
And everybody's tellin' me:
I don't know what's real.
Won't you tell me how you feel?
You can live your life,
Everybody wants to say goodbye

[CHORUS]

(Why I'm fallin'...I'm off the ground)

Coz I'm fallin'

Try to close my eyes
And I see you in my mind
And I wonder why
We have to leave it all behind.
I don't know what's real
Won't you tell me how you feel?
You can live your life
Everybody wants to say goodbye

[CHORUS x2]

Why Iâ€™m fallinâ€™ [x5]
