See it in your eyes
It's not the way I feel inside
And I wonder why
It has to be this way now

And I don't know what's real
Won't you tell me how you feel
You can live your lies
Everybody wants to say goodbye

And I wonder why
Why I'm falling
And I wonder why
I'm off the ground
But don't you ask me why
You're letting go of my hand
Cause I'm falling

If you could only see
All the tears that are falling
All the answers that I need
When everybody's telling me

That I don't know what's real
Won't you tell me how you feel
You can live your lies
Everybody wants to say goodbye

And I wonder why
Why I'm falling
And I wonder why
I'm off the ground
But don't you ask me why
You're letting go of my hand
Cause I'm falling

Try to close my eyes
And I see you in my mind
And I wonder why
You have to leave it all behind
And I don't know what's real
Won't you tell me how you feel

You can live your lies
Everybody wants to say goodbye

And I wonder why
Why I'm falling
And I wonder why
I'm off the ground
But don't you ask me why
You're letting go of my hand
Cause I'm falling
