(Spoken)

Gone is the wall  
New is the way  
The leaves will fall  
Four seasons stay

It always seems that all he needs  
Is far away from here  
It's the little bad we see  
That keeps us waiting

He's the one who's living names  
He knows he'll soon forget  
And it seems the more he takes  
The more alone he gets

Gone is the wall  
New is the way  
The leaves will fall  
Four seasons stay

It always seems that you regret  
Everything you said  
It's the words they say to me  
That linger in my head

Gone is the wall  
New is the way  
The leaves will fall  
Four seasons stay

(Spoken)
