Daddy's working day and night,  
Gotta keep the world running on time,  
Says he keeps the family fed..  
Mother's got a boyfriend,  
Sees him on the weekend,  
Tells her friends "he's dumb,  
But at least he's good in bed"..

She sits in her room,  
Painting silver, black and blue,  
She brushes her hair,  
Talks to herself..

Says hello,  
Hello,  
Hello,  
I'm the luckiest girl the world!  
Hello,  
Hello..

Sports car, swimmin' pool,  
Baby's in a private school,  
Everybody says shes a perfect ten..  
Cash is spent, lotta front,  
Divin' in the deep end,  
Gotta go, Undertow,  
Draggin' her down again..

She's drunk and in bed with someone she just met,  
Thinks its nothing new..  
She's not really there,  
And he doesnt care..

Says hello,  
Hello,  
Hello,  
To the luckiest girl in the world,  
Hello,  
Well hello..

Sometimes it seems too much is never enough,  
There's nothing that's real,

There's nothing she can touch..  
She's making a plan,  
But it slips through her hands,  
It splinters,  
It shatters,  
It bursts..

Says hello,  
Hello,  
Hello,  
I'm the luckiest girl in the world!  
Hello,  
Hello..

Says hello,  
(Sports car, swimmin' pool, babys in a private school)  
Hello,  
(Everybody says shes a perfect ten)  
Hello,  
I'm the luckiest girl in the world..

(Cash is spent, lotta front, divin' in the deep end)  
Hello,  
(Gotta go, undertow, draggin' her down again)  
Hello..

Hello,  
Hello,  
Hello,  
I'm the luckiest girl in the world..  
Hello,  
Hello..

Hello..
