When my eyes aren't open wide  
When it's hard to make the time  
When words are so uptight  
Thoughts collide

If answers are unsure  
I've been through this before  
And an ocean fills my mind  
I'm so tired

You can make a face at me  
But it's more than I can hide  
You can place it all on me

And even though I try  
I am speaking slowly  
But inside I am only wanting you  
To hear me

Too late to make a sound  
And I can't drown it out  
Too much to say aloud  
I'm tongue-tied

Too many strangers in the crowd  
Only your face I have found  
But with all the lines I try  
I never find

You can make a face at me  
But it's more than I can hide  
You can place it all on me

And even though I try  
I am speaking slowly  
But inside I am only wanting you  
To hear me

Too late to make a sound  
And I can't drown it out  
Too much to say aloud  
I'm tongue-tied
