Yo-o-oh (yo-o-oh)  
Yo-o-oh (yo-o-oh)  
Wow! Yea-a-ah (wow, yea)  
Now you people out there (hey)  
& you people over there (hey)  
Now standin' over there (hey)  
& you there in the corner (hey)  
& you people over there (hey)  
& on the road (hey)  
On the floor (hey)  
The ceiling (hey)  
All round the whole scope of the building!  
I'm gonna tell you (what is it?)

About ooh poo pah doo  
They call me the most  
Ooh poo pah doo (ooh poo pah doo)  
They call me the most (call me the most)  
& I won't stop tryin' till I create disturbance in your mind

Wo I'm gonna  
Create disturbance in your mind  
Baby don't you know it's in your mind  
Create disturbance in your mind  
Baby don't you know it's in your mind  
Wo oh oh oh oh wo oh oh oh  
Yeah-eh-eh-eh (yeah-eh-eh-eh) (x4)  
Wo oh oh oh oh wo oh oh oh

I'm gonna ring a few bells in your ear  
Don't you know I'm gonna ring 'em ring 'em in your ear  
I'm gonna ring a few bells in your ear  
Don't you know I'm gonna ring 'em ring 'em in your ear  
Wo oh oh oh oh wo oh oh oh  
Yeah-eh-eh-eh (yeah-eh-eh-eh) (x4)  
Wo oh oh oh oh wo oh oh oh

All right! (cheering, to fade)
