I hope you like these jeans
I wore them just for you
You're giving me butterflies
I'm like a girl in school
Should I bake you a pie, darling?
Should I get you drunk?
Just to get you to say I'm the one

Baby don't let me down
Don't make me cry
You really got a hold on me
Don't make me wait now is the time
To show me what you mean
Do you lululuv me, lululuv me?

I'll be a mess when you're hurt
Send you candy, I would
I'd start biting my nails
Be your fairytale
Be your angel by day a little devil by night
Don't wanna bribe to tell me you love me

Baby don't let me down
Don't make me cry
You really got a hold on me
Don't make me wait now is the time
To show me what you mean
Do you lululuv me?
Do you lululuv me?
Do you lululuv me?

Baby don't let me down
Don't make me cry
You really got a hold on me
Don't make me wait now is the time
To show me what you mean

Baby don't let me down
Don't make me cry
You really got a hold on me
Don't make me wait now is the time

To show me what you mean
Show me what you mean
