I've been seeing him
All over town
He's got a nice way
Of breaking my door down
What an attitude, makes the girls crazy
What I would do, if he call me baby

(Chorus)
Ohh, He's so cool
Got me screaming like a school girl
Play my song. play my song
Oh He's got moves,
Makes me wanna rip my clothes off
Play me like a school girl

He's got confidence and chivalry
There's no hiding it
Natural chemistry
No puttin' on No, he's the real deal
Hot like a cowboy and a body of steal

(Repeat Chorus)

We're all alone
It's what I have waited for
Wearing only tube socks
When I met him out the door
A real Gemini, yeah he's addictive
Leavin' the lights on
I gotta see this

Ohh, He's so cool
Got me screaming like a school girl
Play my song, play my song
Oh He's got moves,
Makes me wanna rip my skirt off

Ohh, he's so cool
Got me screaming like a school girl
Play me like a school girl
