And you...
You light up for me
You didn't want me to see
The love quietly silently
Now just a million miles
They won't hide tonight
And the stars are like
Like a way to love tonight.

Chorus:
I've been having these strangest feeling
That you walked out on me on evening
But I can't even...
Let them cut and in my heart
I've been having these strangest feeling
That you walked out on me on evening
But I can't even...
Let them cut and in my heart

A single tear just dropped into the ocean of your heart
You left me open now I'm hoping that you try to
understand
What is calling from me there's no way I can pretend
That you were coming back to get me
Now the move would lead me in
So destine over and missed in
You're the... you were here only yesterday
The way you... move it
Make that fire let it burn start the...

Chorus:
I've been having these strangest feeling
That you walked out on me on evening
But I can't even...
Let them cut and in my heart
I've been having these strangest feeling
That you walked out on me on evening
But I can't even...
Let them cut and in my heart

I have put you again for...

Face it I'll turn the high
Closer I get your... you were here on the yesterday
And I know I try to forget all those nights, all those
nights
You know I've tried.

[Chorus:]
Let them cut and... my heart
