Enchanted

Every night in my dreams
I see you passing by in slowmotion
because of you I'm overwhelmed with emotions
I'm bading with your love
You are my star above

CHORUS

Nana nana nana nana nana nana like a thunder in the
night
nana nana nana nana nana nana with the full moon by
your side
nana nana nana nana nana nana take my with you on
your flow
nana nana nana nana nana nana don't ever let me go

Whenever we touch I cannot hide
I start to shiver deep inside
Will you come by with sweet caresses tonight
It's like a fantasy
Let me hold you close to me

CHORUS

Nana nana nana nana nana nana like a thunder in the
night
nana nana nana nana nana nana with the full moon by
your side
nana nana nana nana nana nana take my with you on
your flow
nana nana nana nana nana nana don't ever let me go

I've been enchanted by your magic spell
Now I'm protected save and well
One kiss from you and I can reach the sun
This ride has only just begun

CHORUS (2x)

Nana nana nana nana nana nana like a thunder in the
night
nana nana nana nana nana nana with the full moon by

your side
nana nana nana nana nana nana take my with you on
your flow nana nana nana nana nana nana don't ever
let me go
nana nana nana...
